2013 Newsweek called Dayton's the 'swingiest spot in Minneapolis,' and almost anyone living in the Twin Cities during the twentieth century has an anecdote to prove it. At Dayton's, you could buy a cashmere sweater for a song during an Anniversary Sale or commission a Persian silk dress for a society wedding. You could attend an eighth-floor extravaganza like Santabear's First Christmas or catch the occasional circus. Dayton's was the job that put many Minnesotans through college or the career that took them to retirement. From its early days as an innovative dry goods store to a trend-setting company that grew into the retail giant Target, Kristal Leebrick chronicles ten decades in the life of a Minnesota enterprise that defined style, good service and philanthropy.--Page 4 of cover Newsweek called Daytons the swingiest spot in Minneapolis and almost anyone living in the Twin Cities during the twentieth century has an anecdote to prove it

2011-04-01 CBCA shortlisted picture book -- now in paperback! When a new baby is born, it's difficult to tell if it will grow up to be big, or small, or brave, or scared of the dark and spiders. So sometimes babies get the wrong name. It's the same with dogs. So when the Claybourne-Willments, who should have been called the Smiths, got Fearless as a little puppy, it seemed a good name for him. Except Fearless wasn't. How does Fearless finally live up to his name? By accident, of course! 2009 I don't quite know how it all happened. One moment I was laughing with my teenage surfing buddy Stevo as he got hammered by the suckiest waves ever at Currimundi Beach, on Queensland's Sunshine Coast, the next I was grinning next to him in my best man's suit at his wedding in Oregon. Stevo was my best mate: we used to sink beers, climb trees and generally act like silly

buggers. Our friendship deepened. We stopped acting like larrikins and we trusted each other with our lives - although we still sank Bundy Rum chasers around the campfire after we'd been catching crocs. So why did I force him to choose between his wife and his best man? I wrote this book to help people understand Steve's motivation, his personality, and his genuine spirit. I knew that I could offer fresh insight into the bloke, the surfie, the footy player, the reptile lover, the life of the party, the hard worker, the mate. My mate. A bloke who was in to conservation long before he became The Crocodile Hunter. So why did I force him to choose between his wife and his best man I wrote this book to help people understand Steves motivation his personality and his genuine spirit

2010-12-22 The first behind-the-scenes look at the stunning success of America's hippest discount retailer Founded in 1962 by Minnesota-based department store Dayton's, Target has grown to become America's second most profitable retailer behind Wal-Mart. On Target is the first in-depth look at the business leaders and strategies that made Target such a runaway success. The

company's easily recognizable red-and-white logo, youthful television advertisements, and upscale partnerships-with designers like Michael Graves, Mossimo, and Todd Oldham-have not only removed the stigma traditionally attached to discount store shopping, but actually made it hip to be frugal. In the process, the company has cemented its place as the favorite discount retailer of middle- and upper-income families across the country. In On Target, award-winning business journalist Laura Rowley examines the methods and the success of the company from its shrewd merchandising strategy to its clever marketing campaigns, ingenious branding effort, and extensive philanthropy. An excellent education in how to beat the competition even in a crowded and weak retail market, Target's story details the history and incredible success of a unique company and an enticing, unmistakable brand. Both insightful and entertaining, On Target offers important business lessons for executives and managers in need of a bull's-eye. Laura Rowley (Maplewood, NJ) is an award-winning television, radio, and print journalist specializing in business reporting. She is the personal finance and career columnist for Self magazine and has also been published in The New York Times, Parents, and Newsweek. As a reporter and producer for CNN in New York, she reported on air for Your Money and Business Unusual, and produced live programs for CNNfn. She has also appeared on Good Morning America,

Oxygen Media, and CNBC. In On Target award winning business journalist Laura Rowley examines the methods and the success of the company from its shrewd merchandising strategy to its clever marketing campaigns ingenious branding effort and extensive philanthropy

2022-07-29 This progressive and broad-ranging handbook offers a comprehensive overview of the complex intersections between politics, gender, sport and physical activity, shining new light on the significance of gender, sport and physical activity in wider society. Featuring contributions from leading and emerging researchers from around the world, the book makes the case that gender studies and critical thinking around gender are of particular importance in an era of increasingly intolerant populist politics. It examines important long-term as well as emerging themes, such as recent generational shifts in attitudes to gender identity in sport and the socio-cultural expectations on men and women that have traditionally influenced and often disrupted their engagement with sport and physical activity, and explores a wide range of current issues in contemporary sport, from debates around the contested gender binary and sex verification, to the role of the media and social media, and the significance of gender in sport leadership, policy and decision-making. This book is an authoritative survey of the current state of play in research connecting gender, sport, physical activity and politics, and is an important contribution to both sport studies and gender studies. It is fascinating reading for any student, researcher, policy-maker or professional with an interest in sport, physical activity, social studies, public health or political science.
