English Modal Auxiliary Verbs: May, Might, Can, Could, Will, Would, Shall, Should, Must, Need, Used To Manik

Joshi, 2014-10-25 Modal Auxiliary Verb (or 'Modal Verb' or 'Modal Auxiliary') is a verb that is used with another verb (not a modal verb) to express ability, intention, necessity, obligation, permission, possibility, probability, etc. English modal auxiliary verbs - may, might, can, could, will, would, shall, should, must, need, used(to), ought(to), dare | different patterns and examples | may and might are used to express- possibility, compulsion, obligation, probability (in the present and future) | can, could are used to express- ability, probability, possibility, suggestion, request, condition | will, would are used to express- action in future, present habit, compulsion, obligation | shall, should are used to express- action in future, suggestion, surprise, importance or purpose | need is used to express necessity | used(to) is used to express- past habit | ought(to) is used to express- probability, recommendation, obligation, advise | dare is used to express- be brave enough to

Sample This: Modal Auxiliary Verb -- May and Might Uses of 'May' and 'Might' (1). Possibility/Probability It may rain the day after tomorrow. [= Perhaps it will rain the day after tomorrow. OR It is possible that it will rain the day after tomorrow.] He may have caught the train. [= Perhaps he caught the train. OR It is possible that he caught the train.] (2). To say what the purpose of something is Many people flatter that they may win favor. [= Many people flatter in order to win favor.] They ran so that they might arrive in time. [= They ran in order to arrive in time.] (3). To admit that something is true before introducing another point, argument, etc. It may not be wise, but using force may be lawful. [= Although it is not wise, using force may be lawful.] (4). To express wishes and hopes May you live a prosperous life! May you have a good time! My teacher blessed me that I might succeed in my exams. (5). To give or refuse Permission [In Informal and Polite Way] You may not withdraw money from your bank account. [= You are not allowed to withdraw money from your bank account.] (6). To seek Permission [In Informal and Polite Way] May I borrow your book for two days? (Yes, you may.) May I come in? (No, you may not.) Difference between 'May' and 'Might' 'Might' is the past equivalent of 'may' in indirect speech. 'Might' is very polite and formal. It is not common. It is mostly used in indirect questions. I wonder if I might work on your computer. But it is used in the same way as 'may' to talk about the present or future. 'Might' is used as a less positive version of 'May' 'May' denotes more possibility/probability 'Might' denotes less possibility/probability May I use your mobile phone? Might I use your mobile phone? (= A diffident way of saying 'May I use your mobile phone?') 'Might' also denotes 'would perhaps' You might attract

the President's attention later. [= Perhaps you would attract.] He might have to go [= Perhaps he had to go.] 'Might' is also used to express a degree of dissatisfaction or reproach; as, You might pick up an argument with him! You might have picked up an argument with him! 'Might' has limitations while 'asking permission' Note: Avoid using 'might' to seek or give permission. [Prefer to use 'may'] | Avoid using 'might not' to refuse permission. [Prefer to use 'may not']. Using 'might' to seek or give permission is very formal and is not used very often. Might I ask for your address? Might I offer you something to eat? [Exception: You can use 'might' to give permission or 'might not' to refuse permission in "indirect speech"] He asked me whether he might stay in my house. Note: 'Maybe' is an adverb. ['Maybe' means 'perhaps'] -- Maybe he came to know something secret and was removed from the post. ALSO NOTE: Difference between 'May' and 'Can' 'May' is more formal than 'Can' 'May' is mostly used in 'formal' English. 'Can' is mostly used in 'informal' (or spoken) English 'Can' is used to show ability/capability/capacity, while 'may' is never used in this sense.

The Blue Book of Grammar and Punctuation Lester Kaufman, Jane Straus, 2011-04-16 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering just the facts on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Cambridge Advanced Learner's Dictionary Kate Woodford, Guy Jackson, 2003 The Cambridge Advanced Learner's Dictionary is the ideal dictionary for advanced EFL/ESL learners. Advanced English Grammar Ilse Depraetere,Chad Langford,2015-08-20 Depraetere and Langford, with 40 years of teaching experience between them, present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the specifics. Most linguistically-oriented grammars of English can be intimidating and complex. On the other hand, the more basic practical grammars also available are often not advanced enough. This book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology. It does not get bogged down in huge amounts of detail and focuses on the crucial issues. Full of exercises and with attention paid to moving the reader through their course, this is the desk reference grammar of choice for both native and non-native English speakers.

Industrial Canada ,1923

SignGram Blueprint Josep Quer,Carlo Cecchetto,Caterina Donati,Carlo Geraci,Meltem Kelepir,Roland Pfau,Markus Steinbach,2017-11-20 We gratefully acknowledge the financial support of COST (European Cooperation in Science and Technology), funded by the Horizon 2020 Framework Programme of the European Union. Current grammatical knowledge about particular sign languages is fragmentary and of varying reliability, and it appears scattered in scientific publications where the description is often intertwined with the analysis. In general, comprehensive grammars are a rarity. The SignGram Blueprint is an innovative tool for the grammar writer: a full-fledged guide to describing all components of the grammars of sign languages in a thorough and systematic way, and with the highest scientific standards. The work builds on the existing knowledge in Descriptive Linguistics, but also on the insights from Theoretical Linguistics. It consists of two main parts running in parallel: the Checklist with all the grammatical features and phenomena the grammar writer can address, and the accompanying Manual with the relevant background information (definitions, methodological caveats, representative examples, tests, pointers to elicitation materials and bibliographical references). The areas covered are Phonology, Morphology, Lexicon, Syntax and Meaning. The Manual is endowed with hyperlinks that connect information across the work and with a pop-up glossary. The SignGram Blueprint will be a landmark for the description of sign language grammars in terms of quality and quantity.

Fundamentals of Toxicologic Pathology Matthew A. Wallig,Brad Bolon,Wanda M Haschek,Colin G. Rousseaux,2017-10-25 Fundamentals of Toxicologic Pathology, Third Edition, presents an essential overview of systems toxicologic pathology in a clear-and-concise manner. Toxicologic pathology integrates toxicology and its interdisciplinary components, including

biochemistry, pharmacodynamics and risk assessment to pathology and its related disciplines, such as physiology, microbiology, immunology and molecular biology. This wholly revised and updated edition presents the newest information on the topic, and is an essential reference for advanced students, early career researchers, toxicologic pathologists, pharmaceutical scientists, medical pathologists and clinicians, and anyone involved with drug and device development. The book includes a new section describing the application of toxicologic pathology, such as diagnostic and forensic toxicologic pathology, environmental toxicologic pathology, experimental and industrial toxicologic pathology, and pathology issues in the design of toxicology studies. There are also new chapters on special senses (the eye and ear) and the biochemical and molecular basis of toxicity, among others. - Presents revised and updated information for each chapter on systems - Contains expanded sections on applied toxicologic pathology - Includes the essential information necessary to understand toxicologic pathology in an accessible language

English Grammar For Dummies Geraldine Woods, 2017-04-12 Get the last word on English grammar Grasping the intricacies of the English language doesn't need to be tricky, and this down-to-earth guide breaks everything down in ways that make sense—Revealing rules, tips, and tricks to eliminate confusion and gain clarity, *English Grammar For Dummies* gives you everything you need to communicate with confidence! Improve your speaking skills Clearly compose written communications Get the latest techniques for continuous improvement Write a winning college entrance exam or compelling business presentation Stop worrying about the grammar police and become more confident with your words!

Meditation for Fidgety Skeptics Dan Harris, Jeffrey Warren, Carlye Adler, 2018-12-31 THE NEW YORK TIMES BESTSELLER FROM THE AUTHOR OF 10% HAPPIER Too busy to meditate? Can't turn off your brain? Curious about mindfulness but more comfortable in the gym? This book is for you. You'll also get access to guided audio meditations on the 10% Happier app, to jumpstart your practice from day one. ABC News anchor Dan Harris used to think that meditation was for people who collect crystals, play Ultimate Frisbee, and use the word "namaste" without irony. After he had a panic attack on live television, he went on a strange and circuitous journey that ultimately led him to become one of meditation's most vocal public proponents. Harris found that meditation made him more focused and less yanked around by his emotions. According to his wife, it also made him less annoying. Science suggests that the practice can lower your blood pressure, mitigate depression and anxiety, and literally rewire key parts of the brain. So what's holding you back? In *Meditation for Fidgety Skeptics*, Harris and Jeff Warren, a masterful teacher and "Meditation MacGyver," embark on a gonzo cross-country quest to tackle the myths, misconceptions, and self-deceptions that keep people from meditating. It is filled with game-

changing and deeply practical meditation instructions—all of which are also available (for free) on the 10% Happier app. This book is a trip worth taking. Praise for *Meditation for Fidgety Skeptics* “If you’re intrigued by meditation but don’t know how to begin—or you’ve benefited from meditation in the past but need help to get started again—Dan Harris has written the book for you. Well researched, practical, and crammed with expert advice, it’s also an irreverent, hilarious page-turner.”—Gretchen Rubin, author of *The Happiness Project* “The ABC News anchor, a ‘defender of worrying’ who once had an anxiety attack on air, offers a hilarious and stirring account of his two-steps-forward-one-step-back campaign to sort ‘useless rumination’ from ‘constructive anguish’ via mindfulness, along with invaluable suggestions for following in his footsteps.”—O: The Oprah Magazine

Code of Federal Regulations, 1967 Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The Most Common Mistakes in English Usage Dr. Thomas Elliott Berry, 2017-07-31 This book analyzes the errors most commonly made in spoken and written English and presents them in a systematic, down-to-earth manner. It does not dictate grammar to the reader; rather, it presents the guidelines for English usage currently being observed by the most competent and careful speakers and writers. The most troublesome words and phrases—as well as grammatical terms—are listed alphabetically within 18 subject areas to enable the reader to check quickly on questions of usage. In each case, illustrative examples are given, and the guiding principle is stated for the reader to follow in avoiding the mistake and others similar to it. An extensive index for additional ease of reference helps make this book a handy tool for the modern reader who realizes that mere knowledge is no longer sufficient—that one must be able to express his knowledge clearly, forcefully, and correctly.

Legal Drafting by Design Richard K. Neumann, J. Lyn Entrikin, 2018-02-20 Designed for upper-level survey legal drafting courses, this groundbreaking text explains drafting using a common vocabulary that applies to any legal document based on a fundamental rule structure, including statutes and other forms of public drafting as well as contracts and other forms of private drafting. This unified drafting approach gives students a common denominator approach to drafting all kinds of legal documents. In addition, students can use the techniques they’ve learned to deconstruct, interpret, and revise any

kind of legal document composed of rules. This common-sense approach of teaching/learning a single vocabulary and set of skills to use in drafting any rules-based legal document is an innovative model for U.S. legal drafting courses, though it has been used in other countries for decades. Key Features: A unified approach that teaches students the general skills of drafting rules of law—duties, discretionary authority, and declarations, including their conditions in legal tests. Practice applying those skills to drafting a range of documents, including contracts, statutes, regulations, and other. Coverage of how courts interpret the rules and how to draft anticipating what the courts will do. An understanding of how law governs human behavior through the rules that students learn to draft. A wide range of classroom exercises on the detail of drafting. Additional drafting assignments, for use in and out of class, that help students learn how to use the rules and to accomplish clients' goals.

A Course in Mandarin Lessons Calvin Wilson Mateer, 1909

Selected Mathematical Works Lewis Carroll, 2024-01-01 This carefully crafted ebook: Selected Mathematical Works: Symbolic Logic + The Game of Logic + Feeding the Mind is formatted for your eReader with a functional and detailed table of contents. Lewis Carroll wrote several mathematics books. He was mainly interested in using logic diagrams as a pedagogical tool. Symbolic Logic, first published in 1896, contains literally dozens of puzzles. He believed heartily that children would enjoy learning mathematics if they could be enticed by amusing stories and puzzles. The Game of Logic, published in 1897, was intended to teach logic to children. His game consisted of a card with two diagrams, together with a set of counters, five grey and four red. The two diagrams were Carroll's version of a two-set and a three-set Venn diagram. A manuscript of a brief lecture Lewis Carroll once gave, Feeding the Mind, discusses the importance of not only feeding the body, but also the mind. Carroll wittily puts forth connections between the diet of the body and mind, and gives helpful tips on how to best digest knowledge in the brain. This essay was originally printed in 1907. Lewis Carroll ((1832-1898) is best known as the author of Alice in Wonderland and Alice Through the Looking Glass. His real name was Charles Dodgson. His father, the Reverend Charles Dodgson, instilled in his son a love of mathematics from an early age. Lewis studied at Oxford, and later taught there as a Mathematics Lecturer.

Essentials of French James Pyper Bird, 1925

Adopting the Song of Appearance: An Psychological Symphony within **Can May**

In a world used by screens and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony created by the published word frequently fade in to the background, eclipsed by the relentless sound and disturbances that

permeate our lives. Nevertheless, nestled within the pages of **Can May** an enchanting fictional value overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that captivating masterpiece conducts viewers on a mental trip, skillfully unraveling the hidden tunes and profound affect resonating within each carefully constructed phrase. Within the depths of the touching analysis, we shall investigate the book is central harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Can May eBooks, including some popular titles.

FAQs About Can May Books

What is a Can May PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Can May PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Can May PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Can May PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar,

or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Can May PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
