2022-11-08 NEW YORK TIMES BESTSELLER TikTok sensation and beloved home cook Nadia Caterina Munno, a.k.a. The Pasta Queen, presents a cookbook of never-before-shared recipes featuring the signature pasta tips and tricks that are 100% authentic to Italian traditions—and just as gorgeous as you are. In the first-ever cookbook from TikTok star and social media sensation Nadia Caterina Munno—a.k.a. The Pasta Queen—is opening the recipe box from her online trattoria to share the dishes that have made her pasta royalty. In this delectable antipasto platter of over 100 recipes, cooking techniques, and the tales behind Italy's most famous dishes (some true, some not-so-true), Nadia guides you through the process of creating the perfect pasta, from a bowl of naked noodles to a dish large and complex enough to draw tears from the gods. Whether it's her viral Pasta Al Limone, a classic Carbonara, or a dish that's entirely Nadia's—like her famous Assassin's Spaghetti—The Pasta Queen's recipes will enchant even the newest of pasta chefs. Featuring a colorful tour of Italy through stunning photographs and celebratory tales of the country's rich culinary heritage, along with stories about Nadia's own life and family, The Pasta Queen is a cookbook that will warm your heart, soothe your soul, and spice up your life. And best of all? It's just gorgeous. In this delectable antipasto platter of over 100 recipes cooking techniques and

the tales behind Italy's most famous dishes some true some not so true Nadia guides you through the process of creating the perfect pasta from a bowl

2019-02-11 This book offers the first comprehensive study of recent, popular Italian television. Building on work in American television studies, audience and reception theory, and masculinity studies, *Sympathetic Perpetrators and their Audiences on Italian Television* examines how and why viewers are positioned to engage emotionally with—and root for—Italian television antiheroes. Italy's most popular exported series feature alluring and attractive criminal antiheroes, offer fictionalized accounts of historical events or figures, and highlight the routine violence of daily life in the mafia, the police force, and the political sphere. Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and, for many across the globe, highly addictive. Taken as a whole, this book investigates what recent Italian perpetrator television can teach us about television audiences, and our viewing habits and preferences. videos which have all since been taken off of YouTube due to copyright violations a user remarks Una storia indubbiamente affascinante Cmq penso ke identificarsi con videos discussed thus far the three videos analyzed below

2015-05-22 Thirty-nine essays explore the vast diversity of video game history and culture across all the world's continents. Video games have become a global industry, and their history spans dozens of national industries where foreign imports compete with domestic productions, legitimate industry contends with piracy, and national identity faces the global marketplace. This volume describes video game history and culture across every continent, with essays covering areas as disparate and far-flung as Argentina and Thailand, Hungary and Indonesia, Iran and Ireland. Most of the essays are written by natives of the countries they discuss, many of them game designers and founders of game companies, offering distinctively firsthand perspectives. Some of these national histories appear for the first time in English, and some for the first time in any language. Readers will learn, for example, about the rapid growth of mobile games in Africa; how a meat-packing company held the rights to import the Atari VCS 2600 into Mexico; and how the Indonesian MMORPG Nusantara Online reflects that country's cultural history and folklore. Every country or region's unique conditions provide the context that shapes its national industry; for example, the long history of computer science in the United Kingdom and Scandinavia, the problems of piracy in China, the PC Bangs of South Korea, or the Dutch industry's emphasis on serious games. As these essays demonstrate, local innovation and diversification thrive

alongside productions and corporations with global aspirations. Africa • Arab World • Argentina • Australia • Austria • Brazil • Canada • China • Colombia • Czech Republic • Finland • France • Germany • Hong Kong • Hungary • India • Indonesia • Iran • Ireland • Italy • Japan • Mexico • The Netherlands • New Zealand • Peru • Poland • Portugal • Russia • Scandinavia • Singapore • South Korea • Spain • Switzerland • Thailand • Turkey • United Kingdom • United States of America • Uruguay • Venezuela Italiano Genitori These attacks are often awkward attempts to find scapegoats rather than legitimate efforts con notations The condemnation of the game was so glaring that it brought on a strong reaction from players even

2011-05-16 Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings

together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload. con la speranza di trovare un lavoro 3 La comunit islamica 4 normale vedere nelle classi delle scuole video Che cosa leggi In coppie parlate del tipo di quotidiani o riviste che leggete quando viaggiate in aereo o in

2015-11-30 Recent work on second language acquisition within the generative framework has pointed out interfaces (syntax-discourse, syntax-semantics, etc.) as a residual domain of vulnerability in L2. Rather than in core syntax, it is at the interface level that the divergence between native and non-native grammars has been

shown to be more prominent. In this book the investigation of answering strategies and the focalization of new information subjects, which require access to the syntax-discourse interface, will be pursued. Data is collected through an oral elicitation task on Finnish and Italian, a rather unexplored language pair, in various stages of language development: advanced and intermediate L2 acquisition, L1 under L2 attrition, early bilingualism, child monolingual L1 development. Dal Pozzo Lena the video task is Italian The videos were dubbed into Finnish to collect the data that will be considered The verbs were classified in transitives n 19 unergatives n 9 and unaccusatives n

2019-06-28 The book consists of
 Elementary and Pre-intermediate courses
 with parallel Italian-English texts. The author
 maintains learners' motivation with funny
 stories about real life situations such as
 meeting people, studying, job searches,
 working etc. The ALARM method (Approved
 Learning Automatic Remembering Method)
 utilize natural human ability to remember
 words used in texts repeatedly and
 systematically. The author managed to
 compose each sentence using only words
 explained in previous chapters. The second
 and the following chapters of the Elementary
 course have only about 30 new words each.
 The book is equipped with the audio tracks.
 The address of the home page of the book on
 the Internet, where audio files are available
 for listening and downloading, is listed at the
 beginning of the book on the copyright page.

2024-06-26 The ninth edition of the
 Italian Conference on Computational
 Linguistics (CLiC-it 2023) was held from 30th
 November to 2nd December 2023 at Ca'
 Foscari University of Venice, in the beautiful
 venue of the Auditorium Santa Margherita -
 Emanuele Severino. After the edition of
 2020, which was organized in fully virtual
 mode due to the health emergency related
 to Covid-19, and CLiC-it 2021, which was
 held in hybrid mode, with CLiC-it 2023 we
 are back to a fully in-presence conference.
 Overall, almost 210 participants registered to
 the conference, confirming that the
 community is eager to meet in person and to
 enjoy both the scientific and social events
 together with the colleagues. videos for each
 sign Indeed we realized that 10 videos for
 each sign are too small number to allow the
 network converted the original 3D data
 produced by medi apipe into 2D by just
 removing the z values Finally we

2017-10-14 This book is the first
 scholarly analysis that considers the
 specificity of situated experiences of the
 maternal from a variety of theoretical
 perspectives. From "Fertility Day" to "Family
 Day," the concept of motherhood has been
 at the center of the public debate in
 contemporary Italy, partly in response to the
 perceived crisis of the family, the economic
 crisis, and the crisis of national identity,

provoked by the forces of globalization and migration, secularization, and the instability of labor markets. Through essays by an international cohort of established and emerging scholars, this volume aims to read these shifts in cinematic terms. How does Italian cinema represent, negotiate, and elaborate changing definitions of motherhood in narrative, formal, and stylistic terms? The essays in this volume focus on the figures of working mothers, women who opt for a child-free adulthood, single mothers, ambivalent mothers, lost mothers, or imperfect mothers, who populate contemporary screen narratives. video interviews at the health clinic With the camera positioned behind Pauline we watch her watching the video interviews and taking notes In this scene Marazzi establishes a visual identification between Pauline and herself

2022-12-15 The Italian-annotated bibliography on tunas, tuna-like and billfish species is a sort of unicum, because for the very first time, it provides annotation in English for all papers published by Italian authors over the centuries in various languages. Taking into account that these species are an essential component of the Italian and Mediterranean culture, thousands of authors published a very high amount of papers since historical times, on various themes and subjects. These large fish species are nowadays not only essential elements of the marine trophic chain, but

also important components of human seafood and the related fishery economy. This book makes all these papers internationally available for all scientists, helping them in their research activities and the annotations facilitate the searching work by species and keywords. 2016-05-04 This video atlas covers a broad range of spinal surgical procedures. The volume includes a collection of high quality 3-to-8 minute videos of some of the most critical spine operations performed by internationally renowned expert surgeons. Key features of the book contents include: o Downloadable high quality video content with subtitles suitable for viewing on any display (A brief preview of the book content can be viewed at <https://www.youtube.com/watch?v=SxMi4UFj7HA>) o Detailed descriptions of surgical indications, preoperative planning, patient

positioning, surgical technique, complications, postoperative care and outcomes for each procedure o Full color images and illustrations highlighting different key stages of each surgical technique The video format allows skill development of its intended audience by conveying temporal and spatial details which often go unnoticed in photograph format. This volume will be of immense interest to both the novice and the experienced spinal surgeon as they can benefit from the visual guides presented in the book. It also serves as an ideal teaching tool for spine surgery units in medical schools. de la Columna Vertebral CEECV Buenos Aires Argentina Director and Chairman Orthopedic Department Centro Medico Rivera Buenos Aires Argentina Professor of Neurosurgery Department of Neurosurgery Hospital Italiano de

2002 This book constitutes a first look at the little-known phenomenon of the Italian/American short film. What becomes apparent is the conspicuous interest these members of the newer generation of Italian/American filmmakers exhibit vis-a-vis their ethnicity, be such films a fiction, a documentary, or a music video. Equally significant is the lens through which they see their Italian/American heritage. While the older generations concentrated more on the by now well-known thematics of immigration and organized crime, as well as the debunking thereof, these younger artists/performers of short films have added

to the general theme of heritage, at various degrees, that of race, gender, and sexuality. Anthony Julian Tamburri is a professor of Italian at Florida Atlantic University, where he is also chair of the Department of Languages and Linguistics. He is the author of seven other books, including *A Semiotic of Ethnicity: In (Re)cognition of the Italian/American Writer* and *To Hyphenate or Not to Hyphenate: The Italian/American Writer: Or, An Other American?* and is editor or co-editor of twelve collections, including the best-selling anthology *From the Margin* (1991/2000) and *Screening Ethnicity* (2002). He is a co-founding editor of *Voices in Italian Americana: A Literary and Cultural Review*. with all these images that clash and collide as the video progresses Crucifixes are conspicuously present as Madonna and her lover engage in their pleasures a Christ figure briefly appears as the dynamics seem to shift from the

2018-11-23 Do you know what the hardest thing for an Italian learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read,

compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Italian tongue. How Italian Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Italian language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Italian and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Italian, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Italian Short Stories for Beginners and start learning Italian right now! In this book we have compiled 20 easy to read compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Italian tongue

2023-05-02 An international team of experts explores how streaming services are disrupting traditional storytelling. The rise of streaming has dramatically transformed how audiences consume media. Over the last decade, subscription video-on-demand (SVOD) services, including Netflix, Prime Video, and Disney+, have begun commissioning and financing their own original movies and TV shows, changing the way and the rate at which content is produced across the globe, from Mexico City to Mumbai. Streaming Video maps this international production boom and what it means for producers, audiences, and storytellers. Through eighteen richly textured case studies, ranging from original Korean dramas on Netflix to BluTV's experimental Turkish series, the book investigates how streaming services both disrupt and maintain storytelling traditions in specific national contexts. To what extent, and how, are streamers expanding norms of television and film storytelling in different parts of the world? Are streamers enabling the creation of content that would not otherwise exist? What are the implications for different viewers, in different countries, with different tastes? Together, the chapters critically assess the impacts of streaming on twenty-

first century audiovisual storytelling and rethink established understandings of transnational screen flows. video was presented as a revolution that would transform audience consumption and change the face of the national audiovisual industry After a promotional launch carefully planned across the whole summer Netflix Italia officially

2015-10-06 At long last, the companion cookbook to the hit YouTube cooking show—including recipes for 120 simple, delicious Italian-American classics. When Laura Vitale moved from Naples to the United States at age twelve, she cured her homesickness by cooking up endless pots of her nonna's sauce. She went on to work in her father's pizzeria, but when his restaurant suddenly closed, she knew she had to find her way back into the kitchen. Together with her husband, she launched her Internet cooking show, *Laura in the Kitchen*, where her enthusiasm, charm, and irresistible

recipes have won her millions of fans. In her debut cookbook, Laura focuses on simple recipes that anyone can achieve—whether they have just a little time to spend in the kitchen or want to create an impressive feast. Here are 110 all-new recipes for quick-fix suppers, such as Tortellini with Pink Parmesan Sauce and One-Pan Chicken with Potatoes, Wine, and Olives; leisurely entrées, including Spinach and Artichoke-Stuffed Shells and Pot Roast alla Pizzaiola; and 10 fan favorites, like Cheesy Garlic Bread and No-Bake Nutella Cheesecake. Laura tests her recipes dozens of times to perfect them so the results are always spectacular. With clear instructions and more than 100 color photographs, *Laura in the Kitchen* is the perfect guide for anyone looking to get comfortable at the stove and have fun cooking. Here are 110 all new recipes for quick fix suppers such as Tortellini with Pink Parmesan Sauce and One Pan Chicken with Potatoes Wine and Olives leisurely entrées including Spinach and Artichoke Stuffed Shells and Pot Roast alla
