So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature. This book has been considered by academicians and scholars of great significance and value to literature

2013-05-29 Baron Rosen's Babi/Baha'i archives presents private letters and diplomatic correspondence from the nineteenth century, preserved among the prominent Russian scholar Baron Victor

Rosen's materials in the Archive of the Russian Academy of Sciences, St. Petersburg branch. The materials cast light on the first studies of the Babi and Baha'i Faiths, new religious phenomena which, in Baron Rosen's time, were emerging in Persia. Iran has always been a strategic concern of Russia's geopolitical interests and the traditional importance which has been given to Persia has manifested itself in hundreds of documents and writings collected by the pre-revolutionary Russian diplomats and scholars. These documents, large parts of which have never been published before, reveal new information on the attitude of the Russian government towards religious and ethnic minorities as well as towards related issues within the Russian Empire and abroad. Bringing together materials in Russian, English, Persian, Arabic and French related to the Babi and Baha'i Faiths from Rosen's archive in the original languages with an English translation, this book will be of great interest to students and researchers in the fields of Iranian Studies, Religion and Middle East Studies amongst others. Bringing together materials in Russian English Persian Arabic and French related to the Babi and Baha i Faiths from Rosen s archive in the original languages with an English translation this book will be of great interest to

Ilona Katzew places this art form in its social & historical context. Casta painting is a distinctive Mexican genre that portrays racial mixing among the Indians Spaniards Africans who inhabited the colony depicted in sets of consecutive images

2016 Although sexual violence directed at both females and males is a reality in many on-going conflicts throughout the world today, accountability for the perpetrators of such violence remains the exception rather than the rule. While awareness of the problem is growing, more effective approaches are urgently needed for the investigation and prosecution of conflict-related sexual violence crimes. Upon its establishment in 1993, the Office of the Prosecutor (OTP) of the International Criminal Tribunal for the Former Yugoslavia (ICTY) began the challenging task of prosecuting the perpetrators of conflict-related sexual violence crimes, alongside the many other atrocities committed during the conflicts in the former Yugoslavia. This book documents the experiences, achievements, challenges, and fundamental insights of the OTP in prosecuting conflict-related sexual violence crimes at the ICTY over the past two decades. It draws on an extensive dossier of OTP documentation, court filings, trial

exhibits, testimony, ICTY judgements, and other materials, as well as interviews with current and former OTP staff members. The authors provide a unique analytical perspective on the obstacles faced in prioritizing, investigating, and prosecuting conflict-related sexual violence crimes. While ICTY has made great strides in developing international criminal law in this area, this volume exposes the pressing need for determined and increasingly sophisticated strategies in order to overcome the ongoing obstacles in prosecuting conflict-related sexual violence crimes. The book presents concrete recommendations to inform future work being done at the national and international levels, including that of the International Criminal Court, international investigation commissions, and countries developing transitional justice processes. It provides an essential resource for investigators and criminal lawyers, human rights fact-finders, policy makers, rule of law experts, and academics. This book documents the experiences achievements challenges and fundamental insights of the OTP in prosecuting conflict related sexual violence crimes at the ICTY over the past two decades

1996 This is a study of the role of regions in the development of modern nations in Latin America. Eduardo Posada-Carbo focuses on the Colombian Caribbean

between 1870 and 1950. He examines the achievements and shortcomings of arable agriculture and the significance of the livestock industry, the links between town and countryside, the influence of foreign migrants and foreign capital, the relationship between local and national politics, and the extent to which regionalism represented a challenge to the consolidation of the national state in Colombia. This original study opens up the area to scholarly scrutiny, and has wider implications for Latin American historiography. This is a study of the role of regions in the development of modern nations in Latin America Eduardo Posada Carbo focuses on the Colombian Caribbean between 1870 and 1950

2020-03-18 El diseño y la producción de una pieza de moda involucra el talento y la destreza del diseñador. Aspectos como la definición de la materia prima, la finalidad y el producto al que se incorpora el dibujo o modelo de moda, son elementos que el diseñador debe considerar para realizar una creación de moda. Es así que el proceso intelectual, inmerso en la elaboración de sus creaciones, merece ser protegido por el régimen jurídico. A la luz de la propiedad intelectual, muchos derechos permiten protegerla; entre ellos se destacan las marcas, el derecho de autor y los dibujos o modelos industriales. En Colombia, el legislador optó por el régimen de los diseños industriales para protegerla. El estudio conjunto de la industria de la moda a la luz

de esta disciplina es de importancia considerable por cuanto su definición brindará al diseñador seguridad jurídica respecto del objeto de protección y del alcance del derecho. No obstante, el dinamismo que caracteriza a la moda revela que la legislación actual es inadecuada. Por esto la obra presenta las dificultades existentes y las soluciones que otros regímenes jurídicos ofrecen, con el fin de protegerla adecuadamente. 2016-12-27 A internet está no epicentro da vida das crianças. E se, a rede, é [pode

ser] um maravilhoso mundo novo, também carrila perigos que os pais e educadores não podem ignorar. Porque a primeira responsabilidade é sua. Sendo esta uma dissertação de Doutorado em Direito, foi pensada para ser lida, não apenas por juristas, mas por psicólogos, sociólogos, pedagogos, pais e educadores. E também por adolescentes. Com este trabalho, não se procura a Verdade; antes, queremos ser atores num debate sério e honesto sobre esta questão, para a qual todos os contributos são válidos e necessários. t794 Uma tem tica que dever inquietar795 o investigador o bulismo De acordo com a Declara o de Kandersteg os fotografias reais ou manipuladas que pretendem ridicularizar ou envergonhar a v tima remessa massiva de

2014-01-01 Published on February 11, 1984, Salvifici Doloris addresses the question of why God allows suffering. This 30th anniversary edition includes the complete text of the letter plus commentary by Myles N. Sheehan, SJ, MD, a priest and physician trained in geriatrics with an expertise in palliative care. Acknowledgments of recent episodes of violence bring the papal document into a modern context. Insightful questions suited for individual or group use, applicable prayers, and ideas for meaningful action invite readers to personally respond to the mystery of suffering. This special Anniversary Edition includes the full text of the original document plus new commentary

that will guide you through this important apostolic letter

2001-04 This work explores the links between political, economic and social violence and illustrates how local community organizations run and managed by women play a key role throughout conflict situations,

not only for meeting basic needs, but also as advocates, fostering trust and collaboration.
