2011-07-27 Mercy Among the Children received effusive praise from the critics, was nominated for a Governor General's Award and won the Giller Prize. It was named one of 2000's best books, became a national

bestseller in hardcover for months, and would be published in the US and UK. It is seen, however, as being at odds with literary fashion for concerning itself with good and evil and the human freedom to choose between them — an approach that puts Richards, as Maclean's magazine says, firmly in the tradition of Tolstoy and Dostoevsky. Author Wayne Johnston recounts hearing Richards read in 1983 and being struck by his unqualified love for every one of his characters, even though "it was not then fashionable to love your characters". Pottersfield Portfolio editor Tony Tremblay calls Richards the most misunderstood Canadian writer of the century, and a "great moralist", comparing him to Morley Callaghan, Kafka and Melville. As a boy, Sydney Henderson thinks he has killed Connie Devlin when he pushes him from a roof for stealing his sandwich. He vows to God he will never again harm another if Connie survives. Connie walks away, laughing, and Sydney embarks upon a life of self-immolating goodness. In spite of having educated himself with such classics as Tolstoy and Marcus Aurelius, he is not taken seriously enough to enter university because of his background of dire poverty and abuse, which leads everyone to expect the worst of him. His saintly generosity of spirit is treated with suspicion and contempt, especially when he manages to win the love of beautiful Elly. Unwilling to harm another in thought or deed, or to defend himself against false accusations, he is exploited and

tormented by others in this rural community, and finally implicated in the death of a 19-year-old boy. Lyle Henderson knows his father is innocent, but is angry that the family has been ridiculed for years, and that his mother and sister suffer for it. He feels betrayed by his father's passivity in the face of one blow after another, and unable to accept his belief in long-term salvation. Unlike his father, he cannot believe that evil will be punished in the end. While his father turns the other cheek, Lyle decides the right way is in fighting, and embarks on a morally empty life of stealing, drinking and violence. A compassionate, powerful story of humanity confronting inhumanity, it is a culmination of Richards' last seven books, beginning with *Road to the Stilt House*. It takes place in New Brunswick's Miramichi Valley, like all of his novels so far, which has led some urban critics to misjudge his work as regional — a criticism leveled at Thomas Hardy, Joseph Conrad and Emily Bronte in their own day. Like his literary heroes, Richards aims to evoke universal human struggles through his depiction of the events of a small, rural place, where one person's actions impact inevitably on others in a tragic web of interconnectedness. The setting is extremely important in Richards' work, "because the characters come from the soil"; but as British Columbia author Jack Hodgins once told Richards, "every character you talk about is a character I've met here in Campbell River". *Mercy Among the Children* received effusive praise from the critics was nominated for a

2011-12-14 Ten years after the publication of her bestselling memoir *Runaway: Diary of a Street Kid*, in a collection of eloquent and affecting pieces, Evelyn Lau reflects on her life, her relationships, and her identity as a writer. Moving seamlessly through past and present, Lau describes how her complex, painful relationship with her parents has shaped her adult desires, thwarting her efforts to connect with both men and women. She recalls her dangerous battle with bulimia and examines her continued struggle against crippling depression. Revisiting her life as a prostitute, she explores the extent to which it continues to distort her perception of herself and how others view her. Lau discusses how she now values home and traces this new attitude back to her time on the streets. Above all, she considers her life

as a writer, remembering the force with which her childhood passion for writing was once suppressed. She reveals the supreme importance she has come to place on her writing and explains her controversial willingness to breach the boundaries between public and private in the name of art. Beautifully written, each of these pieces is remarkable for its startling honesty, sensitivity, and painful insight. With *Inside Out* Evelyn Lau, an author of superb poetry and fiction, establishes herself as an accomplished nonfiction writer. 2017-08-01 Deaf since early childhood, Caleb Zelic used to meet life head-on. Now he's struggling just to get through the day. His best mate is dead, his ex-wife, Kat, is avoiding him, and nightmares haunt his waking hours. But when a young woman is killed after pleading for his help in sign language, Caleb is determined to find out who she was. And the trail leads straight to his hometown, Resurrection Bay. The town is on bushfire alert and simmering with racial tensions. As he delves deeper, Caleb uncovers secrets that could threaten his life and any chance of reuniting with Kat. Driven by his demons, he pushes on. But who is he willing to sacrifice along the way? Deaf since early childhood Caleb Zelic used to meet life head on

2007-06-27 The two-part, fifth edition of *Advanced Organic Chemistry* has been

substantially revised and reorganized for greater clarity. The material has been updated to reflect advances in the field since the previous edition, especially in computational chemistry. Part A covers fundamental structural topics and basic mechanistic types. It can stand-alone; together, with Part B: Reaction and Synthesis, the two volumes provide a comprehensive foundation for the study in organic chemistry. Companion websites provide digital models for study of structure, reaction and selectivity for students and exercise solutions for instructors. While the text assumes completion of an introductory course in organic chemistry it reviews the fundamental concepts for each topic that is discussed
