2000 This book covers the transition of individuals with mild and moderate disabilities to all aspects of adult life. The text includes not only the transition to employment, but also the transition to future living and post-secondary educational

environments. Transition Education and Services for Adolescents with Disabilities builds upon the success of past editions, but it also presents a new and fresh look at the areas of transition education and transition services. Two separate models are proposed, one to cover transition education and the other to provide an overview of transition services. The separate but equal emphasis on each model component will help readers see their own roles more clearly. This book is intended for use by those in pre-service education programs as well as those currently in the field. 2005-01-01 This report provides key insights into the social exclusion processes that affect Roma and Egyptian communities in Albania—two of the most vulnerable

minority communities in Albania. It offers advice on the design of concrete actions to facilitate the inclusion of Roma and Egyptian communities into Albanian society, and also includes feedback from the Roma and Egyptian communities on the study findings and recommendations. 'Roma and Egyptians in Albania' includes supporting data collected via participatory methodologies conducted in eleven study sites to investigate the socio-economic, cultural, institutional, and historical situation of Roma and Egyptian communities across Albania. The report's proposed public policies and strategies on minority, poverty, and social exclusion issues have been endorsed by the Roma and Egyptian communities. *Roma and Egyptians in Albania* includes supporting data collected via participatory methodologies conducted in eleven study sites to investigate the socio-economic cultural institutional and historical situation of Roma and Egyptian
