2020-07-10 LAW SCHOOL, Learn to Think Like a Lawyer - Hello, my name is Shane Irvine! And I want to be your law professor. I am both the author and the narrator of this audiobook titled, Law School. Now, let me give you a hypothetical. On one hand you have a statement made in a criminal law class at Yale University. The statement is that, First degree murder is the killing of one human being by another with malice aforethought. On the other hand, you have a statement made by a drunken beachcomber on the beach who also proclaims that, First degree murder is the killing of one human being by another with malice aforethought.

The statement is that, First degree murder is the killing of one human being by another with malice aforethought. Okay, which of these claims has more truth and justice in it. The statement made in Yale School of Law or the statement made by the drunken beachcomber? Obviously, the statement is the same. The information coming from Yale University can be the same as the bellowings of a drunken beachcomber. That's because the information is generic. Yes, the legal information at Yale University Law School is basically just generic information. This series of classes that I provide, cover the breadth requirement courses necessary in law school to earn a Juris Doctor degree. Nothing is watered down except maybe the latin. The information is just as difficult to comprehend in this audiobook as it is at Yale University. Upon completion of this series of coursework, you will probably have more questions than answers. Don't worry... That's common. It's the nature of the study of law to spark thought. Each person is going to have a different mind set. I present the basic information necessary for you to form the questions. It's therefore, up to you to find your own answers. After all, that's what lawyers, traditional or otherwise, do, they provide differing schools of thought, they question everything, and they resolve to explain the unexplainable. That's the basic objective of being able to think like a lawyer - To be able to create a framework for thinking and ultimately an order for applying that framework. The curriculum for Law School

includes Contracts, Tort Law, and Criminal Law, Criminal Procedure, Evidence, Civil Procedure, Family Law, Property law, Constitutional Law, Corporate Law, Wills, Trusts and Probate. These are the basic courses necessary to earn a juris doctor degree. I suggest you repeatedly listen to the material over and over. I also suggest that you purchase the four-volume text of the audiobook, found on Amazon, and follow along. The combination of listening and reading along will further help hold your attention as it all sort of sinks in and you will eventually find yourself thinking like a lawyer. However, unlike having that prestigious Yale University law school diploma on the wall, hypothetically, you will have that equivilent education plus the \$150,000 you would have paid in tuition at good ole Boola, Boola. These are the basic courses necessary to earn a juris doctor degree I suggest you repeatedly listen to the material over and over I also suggest that you purchase the four volume text of the audiobook found on Amazon and follow along

2009-10-13 This insider's account of the NYC medical examiner's office takes readers from an average day in the autopsy room to the tragic aftermath of 9/11. For fifteen years, Shiya Ribowsky worked as a medicolegal investigator in New York City's medical examiner's office—the largest, most sophisticated organization of its kind in the world. Ribowsky led the investigations of more than eight thousand individual deaths,

becoming a key figure in some of New York's most bizarre death cases. He also took charge of the largest forensic investigation ever attempted: identifying the dead in the aftermath of September 11th. Now Ribowsky pulls back the curtain on the New York City's medical examiner's office, giving a never-before-seen glimpse into death and the city. From vermin-infested Bowery flophouses to posh Upper East Side apartments of the city's dead, Ribowsky explores the skeletons that hang in the Big Apple's closets. Combing through the autopsy room, he also exposes the grim secrets that only a scalpel can reveal, and explains how forensic investigation not only solve crimes—but also saves lives. For fifteen years Shiya Ribowsky worked as a medicolegal investigator in New York City's medical examiner's office the largest most sophisticated organization of its kind in the world

2014-09-30 In 1928, El Hajj Sharif Abdul Ali, known to the world as Noble Drew Ali, attended the Pan-American Conference in Havana, Cuba. At said conference, also attended by the not-invited Secretary of State for the UNITED STATES OF AMERICA, our Prophet received from the nations of America the mandate recognizing the Moor's claim to the Americas, and simultaneously, the expiration of the European mandate to occupy Moorish lands in the Western Hemisphere. 2024-05-31 There are two kinds of knowledge law school teaches: legal rules on the one hand, and tools for thinking about legal problems on the other. Although the tools are far more interesting and useful than the rules, they tend to be neglected in favor of other aspects of the curriculum. In *The Legal Analyst*, Ward Farnsworth brings together in one place all of the most powerful of those tools for thinking about law. From classic ideas in game theory such as the "Prisoner's Dilemma" and the "Stag Hunt" to psychological principles such as hindsight bias and framing effects, from ideas in jurisprudence such as the slippery slope to more than two dozen other such principles, Farnsworth's guide leads readers through the fascinating world of legal thought. Each chapter introduces a single tool and shows how it can be used to solve different types of problems. The explanations are written in clear, lively language and

illustrated with a wide range of examples. The Legal Analyst is an indispensable user's manual for law students, experienced practitioners seeking a one-stop guide to legal principles, or anyone else with an interest in the law.
