2006-05-03 This is an intelligent book about serious issues in public relations: accountability, responsibility, transparency, loyalty, truth-telling, and fairness. It should be required reading in boardrooms, in PR

classrooms, and at the Pentagon. - Jay Black, Editor, Journal of Mass Media Ethics Ethics in Public Relations fills an important need at a time when the credibility of public relations (and some public relations practitioners and public relations firms) is under attack. In a manner that is never preachy or dogmatic, Fitzpatrick and Bronstein have put together a series of essays that have application across the public relations spectrum. They are sure to be informative and instructive both to long-time professionals and candidates for entry-level positions. - Harold Burson, Founding Chairman, Burson Marsteller This book is both highly readable and long overdue. Fitzpatrick and Bronstein have produced a thoughtful, thorough, and very practical look at the ethical dimensions of public relations, not just in theory, but in everyday practice. The essays are sharp, witty, on-point and highly pragmatic. Their examples are relevant, their anecdotes purposeful. Given the state of the profession these days, it's difficult to see how students of public relations could call themselves current without first reading this smart collection of essays. - James S. O'Rourke IV, Professor and Director, The Eugene D. Fanning Center for Business Communication, University of Notre Dame Fitzpatrick and Bronstein have for every public relations professional established a foundation to practice advocacy ethically. Practice settings may change, but Fitzpatrick and Bronstein demonstrate that the individual professional has an ongoing ethical imperative to

advocate responsibly. Fitzpatrick's discussion of the PRSA Code of Ethics concept of advocacy (which she helped draft) breaks new and helpful ground, bringing clarity and substance to this crucial ingredient of most public relations practice. - James E. Lukaszewski, Chairman and President, The Lukaszewski Group Inc. Ethics in Public Relations: Responsible Advocacy is the first book to identify universal principles of responsible advocacy in public relations. In this engaging book, editors Kathy Fitzpatrick and Carolyn Bronstein bring together prominent authorities in the field to address theoretic and practical issues that illustrate the broad scope and complexity of responsible advocacy in 21st-century public relations. The collection explores such matters as the fragile line between ethical and legal public relations practices, ethical challenges in building relationships with increasingly diverse publics, the requirements of ethical advocacy online, ethical accountability in organizational settings, the special ethical obligations of nonprofit groups, and ethical mandates in cross-border public relations. This is an intelligent book about serious issues in public relations accountability responsibility transparency loyalty truth-telling and fairness. It should be required reading in boardrooms in PR classrooms and at the Pentagon.

2007-12-01 The classic novel of a boy's struggle for survival in WWII Poland, from the National Book Award-winning author of *Steps and Being There*. "In 1939, a six-year-old boy is sent by his anti-Nazi parents to a remote village in Poland where they believe he will be safe. Things happen, however, and the boy is left to roam the Polish countryside. . . . To the blond, blue-eyed peasants in this part of the country, the swarthy, dark-eyed boy who speaks the dialect of the educated class is either Jew, gypsy, vampire, or devil. They fear him and they fear what the Germans will do to them if he is found among them. So he must keep moving. In doing so, over a period of years, he observes every conceivable variation on the theme of horror" (Kirkus Reviews). Originally published in 1965, *The Painted Bird* established Jerzy Kosinski as a major literary figure. With sparse prose and vivid imagery, it is a story of mythic proportion and timeless human relevance. "One of the best . . . Written with deep sincerity and sensitivity." —Elie Wiesel, *The New York Times Book Review* "Of all the remarkable fiction that emerged from World War II, nothing stands higher than Jerzy Kosinski's *The Painted Bird*. A magnificent work of art, and a celebration of the individual will. No one who reads it will forget it; no one who reads it will be unmoved by it. *The Painted Bird* enriches our literature and our lives." —Jonathan Yardley, *The Miami Herald* "Extraordinary . . . Literally staggering . . . One of the most powerful books I have ever read." —Richard Kluger, *Harper's*
