2010-06-14 How long it's taken for these two mad, bad and dangerous writers to get together! —Alan Cheuse, San Francisco Chronicle Acclaimed biographer of James

Joyce, Edna O'Brien has written a jaunty (The New Yorker) biography that suits her fiery and charismatic subject. She follows Byron from the dissipations of Regency London to the wilds of Albania and the Socratic pleasures of Greece and Turkey, culminating in his meteoric rise to fame at the age of twenty-four. With a novelist's understanding of tempo and characterization (Miami Herald), O'Brien captures the spirit of the man and creates an indelible portrait that explodes the Romantic myth. Byron, as brilliantly rendered by O'Brien, is the poet as rebel, imaginative and lawless, and defiantly immortal. 2013 First published in 1968, when the

author was seventy, Poems of Consummation is Vicente Aleixandre's intimate, philosophic, densely compressed lyric engagement with old age and the mystery of death. The poems are intense, mostly brief, elemental in their imagery (stone, ocean, wind, fire), and they address, in sometimes gnomic terms, the unknowable--mainly the paradoxes of memory: the simultaneous absence and presence of remembered love and the lover no longer living. The voice in these poems anticipates its own posthumousness, and speaks at times as if (and now in fact) from beyond the grave First published in 1968 when the author was seventy Poems of Consummation is Vicente Aleixandres intimate philosophic densely compressed lyric engagement with old age and the mystery of death

2005 The young cousins at the center of this gripping novel know they are different from their playmates. Their dark eyes alone set them apart. And as they look at family photo-graphs, the blank spaces between the pictures lead them to wonder about their mysterious past. Who is the beautiful opera singer, the woman with Italian eyes? What happened to their grandfather, a pilot with a secret Luftwaffe unit in the Spanish Civil War? Could he still be alive? And why does his second wife forbid the children to speak of the family's history? Questions become suspicions, secrets and rumors become wild insinuations. Combining clues from their own

lives with traces of their family's past, the young detectives move from generation to generation. As fact and fiction merge into one, it slowly becomes clear that the truth is maddeningly elusive in this evocative, lyrical, and engrossing tale. 2017-12-13 On the 18th June, 1815, at the very moment when the destiny of Europe was being decided at Waterloo, a man dressed like a beggar was silently following the road from Toulon to Marseilles. Arrived at the entrance of the Gorge of Ollioulles, he halted on a little eminence from which he could see all the surrounding country; then either because he had reached the end of his journey, or because, before attempting that forbidding, sombre pass which is called the

Thermopylae of Provence, he wished to enjoy the magnificent view which spread to the southern horizon a little longer, he went and sat down on the edge of the ditch which bordered the road, turning his back on the mountains which rise like an amphitheatre to the north of the town, and having at his feet a rich plain covered with tropical vegetation, exotics of a conservatory, trees and flowers quite unknown in any other part of France. 2019-04-30 A New York Times Notable

Book: A girl's disappearance unearths old crimes for the Yorkshire detectives in this "multilayered masterpiece" (Publishers Weekly). Reginald Hill "raised the classical British mystery to new heights" when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences in education, manners, technique, and temperament made them "the most remarkable duo in the annals of crime fiction" (Toronto Star). Adapted into a long-running hit show for the BBC, the Gold Dagger Award-winning series is now available as ebooks. It's been fifteen years since three girls were abducted from Dendale. Just as long since the village was flooded to create a reservoir. Haunted by the cold case, Andrew Dalziel believes the truth was submerged forever. But now, with a drought, the ruins of Dendale are reemerging—along with its mysteries. And as if by a terrible twist of fate, another child has vanished from a nearby hamlet. For Dalziel to finally solve an unspeakable crime, he must once again stir the dread of a still-traumatized community—and all its secrets. "Weaving their pain into his densely textured story of Dendale's cursed past and haunted present, Hill creates a tragic tale of loss and regret and the persistence of grief" (The New York Times Book Review). 2008-10-01 Every month they gather over good food and wine to discuss their favorite books: six very different women—not quite friends, not quite strangers. Enid is a successful psychiatrist, brilliant yet inexplicably dissatisfied; Donna, torn between two lovers, dreams of family but fears commitment; Rina's destructive fantasies may be her downfall; Pat and Hedy are sisters as dissimilar as they are competitive; and Connie is the envy of all her friends with the perfect career, the perfect family, the perfect life. Brought together by their love of literature, they share a deep understanding of one another...or so they think. Then Connie, the woman seemingly so happy, announces that she is divorcing her husband for reasons she refuses to share. The ensuing drama that unfolds forces each woman to explore the secrets shaping and burdening her life as they speculate about what could have happened—and what, in their own circumstances, would constitute the ultimate betrayal. Every month they gather over good food and wine to discuss their favorite books: six very different women, not quite friends, not quite strangers.
