2022-08-18 Este libro, escrito tanto para principiantes como para pintores experimentados, pretende enseñar las técnicas básicas necesarias para dominar el arte del dibujo, con explicaciones sencillas de los conceptos básicos y con muchos ejercicios y ejemplos claros. EL libro está organizado cómo si de una clase de dibujo de las que se imparten en las academias de arte se tratara, partiendo de un nivel de dificultad bajo. En otras palabras, enseña a dibujar

desde la base, mostrando claramente las técnicas más elementales y progresando de la misma manera que lo hace un dibujo. Está dividido en tres secciones: Aprender haciendo, donde el aprendizaje del dibujo comienza con la práctica real de un ejercicio y se intenta superar los retos que presenta el dibujo. Análisis, donde se estudia el trabajo de otros artistas profesionales para ver cómo han resuelto con éxito ciertos efectos en sus dibujos. Cuaderno, que nos permite examinar cada uno de los efectos y aplicaciones realizados durante los ejercicios, analizándolos individualmente. En definitiva, se trata de un curso completo de dibujo en un volumen, en el que los principiantes aprenderán a utilizar este medio de expresión artística, mientras que los artistas experimentados dispondrán de una herramienta útil para practicar, con nuevos consejos que les ayudará a mejorar su práctica del dibujo, y nuevos trucos y efectos que podrán incorporar a su repertorio. 2025-03 Author of 365 Days of Drawing. Lise Herzog is an accomplished teacher of pen and pencil skills. Her first work with Firefly is notable for the thoroughness of its easy lessons, progressing from a few simple lines to shading and texture... over 365 days. When it comes to drawing, practice makes perfect. In 365 Days of Drawing People, Herzog shows how, with a few strokes of the pencil, you can make a simple likeness of infant, toddler, young adult and older people -- people with work and age lines in their faces. And progressively, through the year, make more complex drawings of hands and limbs, faces and hair, and have multiple perspectives of the same person, or drawings of bodies in motion. Each drawing is shown in black on the page, but the days of the year and title of the drawing are in 4-color, so that the book is a lively and inspiring presentation. Better still, like the original 365 Days of Drawing, this new book is very thick, and quarter-bound in real cloth, looking like a real traditional artist's notebook or sketchpad. This feature has been a notable factor in the success of the original book -- despite its modest retail price, it looks like a
