2013-06-13 This is my first picture book. This book, *Keep Your Head Down, A Book about Golf Terminology*, is the first of a series entitled *I Only Like Sports*. Books will follow on the sports of soccer, baseball, football and basketball. I published the non-fiction book, *Under the Sun: A Look at Solomon, Ecclesiastes and Our Faith*, in 2012. In 2011, I retired from thirty-four years of teaching in the public schools of Florida. During the thirty-four years, I served as a teacher and media specialist at all grade levels. I have also worked as an adjunct at North Florida Community College in Madison, Florida and Flagler College in St. Augustine, Florida. My husband and I reside in our

country home on the banks of the Suwannee River in North Central Florida. We have two sons and five grandchildren. In this picture book, Eagle finds a way to become a hero that pleases his family. Eagle has a big brother named Birdie and a baby brother named Albatross. . Eagles Dad is Daddy Bogey; the mother is Mama Double Bogey; and the teacher is Miss Green. A family tree with given names has been included for use as inside back and front covers. The story is narrated in the first person with Eagle reflecting with the reader and his family. *Keep Your Head Down: A Book about Golf Terminology* is the first of a fun series of books, *I Only Like Sports*, with characters and storyline involved in a specific sport. Terminology for that sport is used throughout the storyline. At the end of the story, a golf-term glossary is included. Each book in the series has a fictional storyline where a specific scripture verse from the Bible is applied in an everyday situation. 2024-08-01 Representation takes many forms, from who is elected or appointed to positions in government to the characters and images used in movies, books, and sport teams. However, not all representation is the same. Negative stereotypes and language affect how we view and treat one another,

and inaccurate portrayals of Native cultures are extremely hurtful. In North America, there is a long history of unfair representation of Native Americans, including harmful mascots, racist place names, and incorrect media depictions. Efforts to remove negative myths, parodies, and stereotypes are gaining ground. But the work is not over. By learning more about the dangers of misrepresentation, we can move toward a more just, equitable future for everyone. vocabulary htm The No Hate Zone The Native American Mascot Issue https www thenohatezone com mascots Thundercloud Ria Finding My Dance New York Penguin Workshop 2022 Waters Charles and Traci Sorell Mascot Watertown MA

2024-10-28 En esta obra se narran hechos de una vida profesional que trascienden hacia las vidas de otras personas cuando acuden a los centros de salud, clínicas u hospitales y son atendidas por personal de enfermería o de especialidades médicas, o por quienes proporcionan atención directa a pacientes y personas usuarias de los servicios de salud. El libro se inicia cuando la autora cursa estudios de enfermería y describe cómo a lo largo de sus prácticas y en su trabajo en hospitales, los cuidados ejercidos por el personal clínico no siempre dieron resultados ideales. Los hechos que escribe son analizados a partir de la Bioética, se explican someramente sus bases científicas y técnicas, y, particularmente, los aspectos humanísticos relacionados. Rosa Ortiz Rivera describe y analiza sus vivencias profesionales, así como algunos eventos indeseables sucedidos a colegas y médicos. Nos invita a aprender de ellos, a prevenir las mismas incidencias y a aplicar las mejores prácticas a la cabecera

2012-02-28 After thirty plus years teaching high school and college Spanish, there are many things that have not been taught at those levels. Remember how frustrating it was wondering how to say words and phrases about sex, and especially gay sex? So, I decided to compile this book just for you so, you do not have to wonder any more! This book will include just about everything that you have ever wanted to know and much, much more! A great percent of the book was written on my travels to the many Spanish speaking countries and through interviews with countless native speakers. Gay, of course! I have been to Spain four times spending weeks upon weeks in most all of the provinces. Over the past 35 years my travels to Latin America have been more extensive, living and studying in Mexico for over a year with over 40 return trips to most of the entire country exploring the enriching culture of our neighbors to the southern border. Within the past 15 years, I have explored the colorful, cultural riches of Guatemala spending months with the guatemaltecos. I have also had the pleasure of three fantastic, magical adventures to

Peru, which were truly spiritual experiences that enlightened and enriched me greatly. Other Spanish speaking countries that I have traveled and explored are Puerto Rico, Costa Rica, Panama, Bolivia, Brazil, Uruguay and yes, Argentina. I wish to thank many friends and colleagues for their encouragement to write this book. They have read my work and have given me many helpful suggestions to finalize the process. htm <http://www.mcps.k12.md.us/schools/wjhs/mediactr/forlangpa/thfinder/famhis4/famhis4.html> <http://www.freetranslation.com/free> <http://www.mansioningles.com/Vocabulario.htm> LEARNING SPANISH ONLINE Learning Basic Spanish Online All are
